As we reflect on the second half of 2017 our most significant success was undoubtedly our National Conference, which was held in Cape Town. We have devoted an entire section of this Newsletter to highlights from the Conference as well as a photo collage of the events of the week.

We have established four Provinces with amazing Provincial Coordinators heading up each Province namely Helene Prince (EC), Lecia Hale (KZN), Serena Reddy Melo (GP) and Lisa Wilson (WC), who have all made new inroads and connections with dancers who have re-joined CDFSA and others who had never heard of our Fellowship. There have been significant events which took place in each Province where CDFSA dancers have been involved and this has exposed our Fellowship to various National organisations, as well as associations beyond our South African borders.

We were part of a video project during Dance Week which involved all Provinces, and footage was included in an ICDF YouTube video compiled by Peter Hothersall from the UK.

The new National Committee which was elected at our AGM in July have already begun implementing the plans for the Fellowship projected for the next 5 years. Apart from the Provincial Coordinators, Serena Reddy Melo was elected as the Assistant National Coordinator, Robin Joseph as Secretary, Karen Kerr as Prayer Coordinator and the additional members are Jacqui Wagner for Resources and Moira Townsend as our Advisor and Pastoral oversight.

**EXECUTIVE COMMITTEE AT AGM – SAARTJIE (ICDF)
PRAYING OVER NEW COMMITTEE**

Our aim for the next 2 years is to establish networks in the 5 Provinces not yet represented in CDFSA namely the North West, Free State, Mpumalanga, Northern Cape and Limpopo Provinces. Let's work together on this. I am appealing to you all to assist us with dance contacts you may have in these Provinces. We will visit these Provinces to train Dance Leaders and teachers on the Basic Foundations of Dance, the CDFSA standards of dance and expose them to all the ICDF focus Network groups giving them a good understanding of all the resources available through our networks of Christian dance locally and internationally.

In 2018, each Province will be hosting their own Provincial Conferences, which will make it more accessible for everyone to attend in their home towns. Invitations to some of the National Conference teachers have already gone out, so for those of you who missed the National Conference in Cape Town, the same skilled teachers may be coming to you!!

We also plan to start teaching the dance curriculum of Living Dance International in our four Provinces. Check our website and Face book pages for announcements of classes being held in your region.

It's been named the "Dance and Study Culture Tour" and details on this ICDF Gathering will be released as soon as it becomes available. So save the date and start making plans to be there if you sense God tugging at your heart to be part of this event. There are already 15 delegates from our country planning to attend. For general enquiries on the India gathering visit the ICDF website www.icdf.com or email icdfworld@gmail.com

ICDF would like to know what you plan to do and also request that you send your photos and videos of your event to icdfworld@gmail.com.

So CDFSA members, we have lots to look forward to. We look forward to hearing from you on all our social media platforms.

EASTERN CAPE

On the 25th of September CDFEC had their annual "Show and Share" on the day we celebrated Heritage Day. It was also part of our 40 days of worship celebrations.

We were about 80 people at the event and we had a wonderful time in the presence of God. It was a free event. We only took up an offering. At the beginning of the event we played the 40 days of worship video on the big screen and Tilly explained what it was all about and what our event was about. Aunty Pam our prayer coordinator of the Eastern Cape Region led us in prayer as we prayed for our country and the African continent. Tilly then did a congregational dance "God bless Africa" where we interceded and made declarations through dance over our continent. Aunty Pam also played a wonderful worship song before she started to pray and everyone just danced and worship before God.

Daphne brought the offering message and played "Give and it will come back to you" by Ron Kenoly. Pastor Rubin Prince brought a wonderful message of how we must not forget we are here to serve and not to be seen by others and that God is interested in the condition of our hearts and not our gift.

There was just a wonderful atmosphere of worship, fellowship and love. Afterwards everyone just testified of how blessed they were to be part of the event, that it was refreshing and how God spoke in so many ways.

I believe something happened in the atmosphere as we took time out to pray for our continent and also our congregational dance that is also in prayer in dance. I believe with every event big or small we are impacting people, being visible and relevant and growing stronger day by day.

We truly celebrated our heritage in Christ and I believe God was pleased as we were together in unity from different races, churches and back grounds and came together for one purpose to glorify Him. To God be the glory.

The following dance groups and individual participated in the Show and Share

1. Uitenhage Dance Company Kids
2. Word of Faith Dancers
3. Rucc Ministries
4. HADDASAH Dancers
5. Uitenhage Dance Company Adults
6. Westering Dancers
7. Hallelu Dancers
8. Tanya – Solo

Our end of year function for leaders was our last event for the year. It was on the 8th of December at Kelway Hotel in Port Elizabeth. The leaders or representatives for the following groups were there:

1. Bea Simpson - Hallelu Dancers
2. Liezel Solomon - Free to Dance
3. Vanessa Langford - Open Doors Dancers
4. Helene Prince - Uitenhage Dance Company
5. Lezelle Harris - Hebrew Dancers
6. Colleen Williams - Ebenezer Arts Academy
7. Tilly and Daphne - CDFEC Committee and worship leaders Mirriam De Bruin from Victory Ministries and Bonny from Ebenezer International.

We had a wonderful time together as leaders and could speak about our way forward for 2018. I opened up the evening with a speech of gratitude towards everyone for making 2017 a success and our way forward for 2018. Bea opened for us in prayer and afterwards we had a nice buffet meal and drinks. Later the evening we answered some questions people had towards 2018 and had a great time of fellowship, meeting and making new friends and capturing some memories. It was a great ending to a very eventful year and I think leaders must meet more often in such an informal way. We certainly broke down barriers, started new friendships and end up with one conclusion, together we are stronger. I also shared some leadership skills and leaders discussed the challenges they have in their groups and we could discuss different solutions. The challenges we faced for the year ended with great laughter as we shared our stories and was surely a great way to end off the year with leaders in the dance ministry that can relate to each other's stories.

We looking ahead to 2018 with new enthusiasm and excitement and know that with God on our side all things are possible.

Shalom

What an amazing second half of the year we had in Gauteng – Praise Jesus for the work HE does in and through us. The month of July ended with a team of 10 dancers coming together from six different dance groups to go represent South Africa in **Zimbabwe** at the **Women of Today** conference held in the Glamis stadium in Harare . The conference was attended by 35 000 women and we were extremely humbled that God opened this door of opportunity for us. We were able to minister 5 dances which included a surprise ministering dance when we were requested to minister to the first lady of Zimbabwe , Mrs Grace Mugabe at the conference. We believe that **seeds of change** was planted through our dance in Zimbabwe. A change that we are now witnessing all these months later. The power and the anointing of God filled that stadium . We saw miracles take place , people set free and a new level and increase in faith at the conference. Singer Bonnie Deuschle also invited us to minister in dance as she ministered in song . *The name of Jesus was certainly lifted high in Zimbabwe!*

August started with me being invited to speak & minister in dance at the **Revive & Thrive** Women's Workshop breakfast on 9th August on Women's Day . Once again we saw how the Holy Spirit ministered in and through me as I spoke and shared my message .

God moved in an amazing way in this room as HE worked on the hearts of every women present . Tissues were handed out as God just continued touching the women . Two of us ministered afterwards declaring that we are “No longer sales to fear” and that it was time to Revive & Thrive .

On 12th August , I was invited to run a workshop at the Formation & Creativity Day for the **Catechetics** (Catholic teachers) at the Johannesburg Catholic Church showing how dancing in the Kingdom can be used creatively and how the name of Jesus can be lifted high through dance –JESUS the name above ALL NAMES. We used dance to minister to these teachers .CDFSA has been a part of this annual event. The workshop was attended by 80 delegates. Once again we PRAISE JESUS for doors of opportunity to be called to run this annual teaching in the Catholic community . Dance has created a relationship with the people out there which has seen the need for requiring our assistance.

The **Absolute Passion, Prayer -Praise- Purpose** Women's conference held in Sandton on the 31st August at the Victory Sandton Church had us ministering as a CDFSA team in dance on the opening night of the conference led by a powerful woman of God , Pastor Lindsey Lefebure. The pastors message was such confirmation to the song & message in our dance that we had chosen to minister .We used lots of different colour in our dance and the pastor had based her message on what colour are you in at the moment in your life and how it was time to perhaps move on if you find yourself stuck in one place and that that every women had a plan & purpose and a destiny !

The month of September begun with CDFSA Gauteng being invited to the **Radio Pulpit** women's camp which was attended by 250 women from all over South Africa. On the opening night 1st September I was requested to speak and I discussed how dance can be used in provoking your destiny . Sometimes it takes a bold step and movement by you to bring out that passion you have and that your passion will lead you to your destiny . I used dance to get them to step out of the box and take that step of faith.

The Saturday started with me doing a warm up session to Psalm 18 using the "CaraMayan " technique prior to commencing the workshop session. It was a session of teaching as well as dancing . We highlighted to these women where and how dance started and how scripture teaches us how to dance. We looked at dancing Kingdom style versus dancing the worldly style whilst having loads of fun . ***I highlighted that we are not dancers who just happen to worship, but we are worshippers who just happen to dance !*** I facilitated an interactive dance session allowing each women to bring out the creativity in each of them and take bold steps in stepping towards their destiny . The Hepzibah Dance group accompanied me to minister on Saturday night at their Gala evening and on Sunday worship service. The dance sessions were the highlight of all these 250 women that attended the camp . They were so blessed by the workshop . The next day, Monday morning , we heard live feedback on Radio Pulpit 657AM on how ***dancing for Jesus brings about a freedom and release !***

The **John Bajani Production** company invited us on 30th September to dance at their DVD /CD launch in Centurion, Pretoria to one of their very own songs . I took along the Christian Dance Ministry group of teenagers and younger kids under CDFSA to minister at this event . We did an African style combined with contemporary dance to ***"Today is a good day."*** There is something about seeing children dance for Jesus that touches the hearts of people and enables their level of faith to rise. .. ***Let us come before HIM like children..***

22 October saw the coming together of dancers from all over Gauteng to minister at the **South Africa Night to Honour Israel** . This was the 2nd time that the **D.E.I.S.I** (Defend Embrace Invest & Support Israel) organization requested CDFSA to partner with them in ministering at this event . DEISI together with CUFI (Christians United for Israel) – the world’s largest pro-Israel organization with 3.5 million members under the leadership of John Hagee hosted this event to bring together members of the Christian , Jewish, business, political & other communities of SA to acknowledge and appreciate the Jewish community and to lift up the Name of the **Holy one of Israel**.

I brought together a team of 70 dancers from all different groups around Gauteng along with choreographers and other resources to deliver a night where we showed the Jewish community that they are **loved** ! We had an international video company from London attend the event to capture the night on video . *Gentile and Jews danced before God that night* . We also celebrated the 50th Jubilee and the reunification of Jerusalem. ***“Then our mouths was filled with laughter, And our tongue with singing. Then they said among the nations, “The Lord has done great things for them.” The Lord has done great things for us and we are glad.” Psalm 126 :2-3***

JB Productions again requested us on 28th November to dance for their music video . Here we saw just how powerful the name of Jesus is . We were requested to dance to a French song called ***“Hosanna.”*** During the video shoot we saw God move in a mighty way . One of our teenage dancers were delivered through that dance. Her life was taken back from the enemy who had been trying to hold her back and oppress her . We Praise & Thank JESUS for using us in dance to deliver his children. ***“Whom the son sets free is free indeed” John 8:36***

I ended the year of dance on the night of 31st December 2017 where I was invited to minister in dance in **Kwa-Zulu Natal** at the New Year's Eve service of the **New Bethesda Church** pastored by Pst Danny Pillay . I danced to **"Waymaker"** along with my husband Daniel Melo and my sister Geetha Mudley declaring that HIS promises are true and that HE is a Miracle Maker ! ***There was no better way than to dance into 2018 for Jesus and declaring HIS promises over my family and my life are TRUE!***

Praise Jesus for an awesome 2017 and we look forward to 2018 and stepping into a higher level in dance for HIM !

KWAZULU - NATAL

Blessed 2018 and new beginnings to everyone at Christian Dance Fellowship. May we all find that inner space overflowing with joy and peace this year.

Sitting here in London while visiting family I cast my mind back to the "Inside out" conference in July in Cape Town and felt very privileged to have had the opportunity to be part of this event that hi-lighted the talents and opportunities to learn and grow as a member of Christian Dance Fellowship. The young talent we saw was heart -warming and connections were made as well as a number of dancers from Kwa Zulu Natal attending and showing support.

While on holiday, I had the opportunity to visit the British Library and saw an exhibition of valuable Christian scripts and artefacts. There in front of me in a glass cabinet was the oldest bible written on pig parchment called "Codex Sinaiticus" which traced back to 300 AD. I stood in awe. At the Natural Science Museum they had a section on Darwin and what his beliefs were and I realised that there was a lot in the world to distract and confuse. Then an unexpected thing happened

While sitting on a bench in a park one afternoon, an elderly lady approached my husband and I asking if we were interested in coming to her Church. She told me that she worked at a hospital and on her days off she would wander around and speak to people about her faith and invite them to church. Here was a woman doing what God has instructed us all to do. We parted with a hug and a promise that I would visit their Church when I returned.

An uplifting per chance meeting in the centre of London and one that made my heart sing.

I also found my faith tested more than once and I realise without our faith in Jesus Christ we are weak.... But He is strong. I asked this lady whether they had dance in their church but was told only on special events. So with this I relook at Kwa Zulu Natal and what we can do to change the mind set as brothers and sisters in Christ using our gifts and talents to change people's lives.

In the third term the Christian Dance Fellowship in Kwa Zulu Natal invited Anthea Dekker , a longstanding Christian lady with a gentle spirit to minister and teach the true meaning behind the words of "I surrender" . This was done with the use of flags. There was much excitement amongst the 3 male dancers that had come to see what all this was about. They immediately wanted to learn more. The result was classes being held at our Church whenever we were able to find space. Hopefully we will be given space to carry on in 2018. Karen Kerr also imparted her knowledge with years of experience on decorum and attitudes the way to dress appropriately and although we are in the world we chose to not be of the world. To be the Salt and Light.

Christian Dance Fellowship was also invited to celebrated in the "Jerusalem Jubilee" to praise God for the fact that Israel was celebrated 50 years since the return of the Jewish people to Israel. The boys were now on fire and even more determined to put their skills to use.

KWAZULU - NATAL

The evangelical church of South Africa hosts an annual ladies camp at Skogheim on the lower south coast. These are different regions coming together to build relationships and glorify Jesus as Lord in their lives. There are about 300 women who attend annually and much thought and planning is given to this event.

A team from Port Shepstone The Potters Praise Worship dance group, led by Ruth Fanner were invited to minister in dance on the last evening of the event.

Another dance group called "Tehillah Dance Ministry" has also been doing outreach in and around the Amanzimtoti area, ministering at Mekudashet and the Poinsettia Park area near Amanzimtoti.

During the "40 Days of Prayers" I approached our Bible Study Ladies and explained the purpose of "40 Days of Prayers". Wanting to use dance as another medium of worship, which they were open too. Everyone got up and danced, laughing and had fun. We did a cross section of music of different dance styles. We used scarves and flags and they.... and I.... found the experience most enjoyable as we moved together in worshipping the Lord.

Although we did not have a year-end event - as I was by then heavily involved in a showcase of dance with the studio dancers that I train. The story of "The Prodigal Son" was presented by the junior classes and the seniors danced through the "Gifts of the Spirit" and had our opportunity to minister to many.

So having said and done the above I look to 2018 and hope and pray that we all show obedience and ask my fellow brothers and sisters to come on board this exciting journey. If anyone has a word or thought they would like to share or suggest Please let us know.

Also please let us know if you have an event we could partner with or assist in any way. We are here to serve.

Lastly, there is a brand new dance syllabus on offer from "Living Dance International" and the opportunity to engage and learn and obtain a teaching qualification in Christian Dance. You can contact me or see on the Christian Dance Website for further information. This could benefit any dancer or teacher that wishes to improve their skills.

Shalom everyone

WESTERN CAPE

Interceding & blowing of the shofar on the high place of Rhodes Memorial

Shout! the LORD has given you the city! – Joshua 6:16

In this last quarter of 2017, CDFS Western Cape has extended its reach and impact into new dancing communities and this has been exciting. We have been able to serve the Western Cape in new, fresh and visible ways through outdoor outreaches such as the 40 days of worship (September-October), the Cape Town for Jesus crusade (November 19-21), along with the more conventional workshops and ministry in various churches around the Western Cape. Our fourth quarter was very busy and exciting. Exciting because we tapped into groups of dancers that we were unaware of and, also, because our involvement in the events of the fourth quarter was a direct result of seeds sown in the previous quarter. Individuals heard about our activities, or saw/experienced our work in the region, and contacted us to partner with them for their Christian events. This means that we are becoming more visible and are making progress in achieving our goal of increased awareness within the Western Cape Christian community.

CDF regional activities included dance ministry performances outdoors and indoors, setting choreography, flashmobs, and marches. Some of these activities such as the 40 days of worship event included international dancers from Brazil and enabled us to work and partner with diverse churches and individuals in declaring God's glory and desire for the city of Cape Town through dance and the arts. These events were God-breathed. The coming together of the singers, musicians, dancers, flag bearers, intercessors, preachers to spread God's river of love and fire of restoration and revival in the city of Cape Town, the region, and the nation were truly prophetic.

As members participated in the worship gatherings around the city, declaring the name of the Lord in praise, worship, and intercession in the high places such as Rhodes Memorial and low places such as the beach shores, God ushered us truly 'From the Inside Out' (National Conference theme in July 2017) with the message of his love and hope for the city and the nation. Together with other artisans we brought the presence and power of God to people at the train station, in shopping centres, in the market squares, and stadiums. Most people were receptive, while a few resisted the engagement but importantly, God was glorified.

On September 23, 2017 workshops on mime (led by Lauren George of Prophetic Praise) and stage presence (led by G2 studio leader and CDF member Gio Fisher) was held at the UCT School of Dance. We had 20 (8members and 12 non-members) persons in attendance.

We were able to recruit 19 more members to CDFSA with our activities this year. There is much more that we can do in this area in 2018 but we must also celebrate the fact that we are much more connected to other dancers in the region. We also still need to get the regional committee fully functional for 2018 to plan the regional conference, where we aim to focus on the youths, as well as begin preparations for attending the National Conference in India (May 6-12, 2019). May we continue to partner closely with the heavenly father, and each other in the kingdom, so that He can continue to guide and instruct us on how to impact the city/region/nation that He has given to us. Let's lift up a victory shout in song and dance!

CDFSA NDC 2017

THE 7TH NATIONAL CDFSA CONFERENCE 2017

Dancers from across South Africa converged in Cape Town to attend the 7th CDFSA Conference 2017 “From the Inside Out” based on Romans 12:1&2. The focus was to deal with matters of the heart and then to take what we have learnt in dance to the community. We achieved this by starting with the Pre-Conference with Beth Bluett from 16 - 18 July 2017. She did seminars on The Living Dance International Junior, Pre Dance, Jazz and Contemporary syllabi with 14 dance teachers who were all inspired to use the LDI method of teaching as a new, fresh approach in their dance classes.

On 19 July we officially started our Conference with registrations, auditions for the evening events and the flash mob rehearsal.

Our 1st night was an opportunity for delegates to get to know each other through interactive community dance and we were also introduced to the teachers who gave us an overview of what could be expected in their workshops.

We started each morning with praise and worship, dance items and speakers.

Pastor Glenn Robertson shared the importance of checking your heart motive with everything you do in this ministry and Pastors Ivor & Sonja Jones shared that the dance is the end result of your quiet time, a cleansing of your heart in God's presence and South Africa needs worshippers, young people, who will be part of the end time revivalists effecting change in our country.

Workshops began on Thursday and delegates could choose 1 of 6 mainstream sessions – Messianic, Hip hop, Banner making, Contemporary, Stage presentation and Children. They also had a choice of an additional 15 other workshops.

Our evening presentations included invited guest dancers as well as delegates.

The highlight for me was the flash mob on the Saturday morning where we effectively took our dance "Out " to the community. We had people watching us from their windows as well as onlookers - children and adults. We were able to minister to all who were open to us praying and encouraging them that morning.

Our Conference ended with the Grand Finalé on the Saturday night with displays of banners from the banner workshop during praise and worship, workshop dances and tributes to Rosemary Raw the Founder of CDFSA. Robert Raw and his son Robert Junior were present to accept the CDFSA Dance Legend award.

We also had a tribute for Georgie Brodie a former CDFSA National Coordinator and other awards were also made to Karen Kerr and Liesl Townsend for their contributions to CDFSA over the years.

The Sunday after Conference, Saartjie de Wet, Colette Tennison and Thea Viljoen did a Prayer Watch in the City centre using prayer movements, drumming and tambourine declarations and the theme that emerged on that day was the Proclaiming of Freedom and Redemptive purpose. What a way to end our Conference.

The success of our Conference was a team effort and I thank God for the Local Organising Committee (Robin, Sue-Joy, Gio, Ivy, Shantle, Lisa and Zoë), Sponsors, Teachers, Speakers and Helpers who assisted us in achieving our objective.

Dance Worshipers Prayer

Dance Worshiper's Prayer

Our Father in Heaven,
We praise and thank You for the privilege of worshipping You through this powerful medium of dance. We give the gifts and talents You have blessed us with, back to You, in our love and admiration of You as Creator of all things.
We acknowledge each ability, movement, prop, colour and breath belongs to You
Help us show the world Your Greatness through our worship and may we be a part of salvation for many.
Mould us, correct us, change us, use us...

"In Him we live and move and have our being" (Acts 17:28)

Giving Thanks: CDFWC. We thank God for the input into the lives of "Kingdom dancers" as they attended the workshop run by Lisa Wilson in January. We pray for the fruit of this work deposited to continue and flourish.

Praying for:

1. Pray for each region's leadership, in planning the itinerary for the year. May they be sensitive to the needs in that region and know God's will in how to lead.
2. CDFEC. Pray for the AGM for the Eastern Cape to be held on the 10th of March along with the workshops planned.
3. Please cover your dance teams in prayer, leading by example and emphasising caring and sharing in the different groups. Pray specifically over each worshipper.
4. All those in leadership and teaching need much prayer. Pray for a keen ear to hear God's will in their ministry's and to select the right material to teach and share.

Responsibilities: Pray that we would all look after and care for our bodies, as the temple of the Holy Spirit. This includes exercise, eating patterns, dress codes, etc.

Pray that our lifestyles would be a worthy reflection of a worshipper's calling and that we would be "vessels of honour" for His Majesty.
