

# Christian Dance Fellowship of South Africa

Member of the International Christian Dance Fellowship

---

To all our valued CDFSA members

Greetings in the name of Jesus. The National Committee would like to thank you for navigating with us through a very difficult year. We all have experienced change in one way or another. One thing that we all can agree on is that God has been with us every step of the way.

We have grown as an organization and have seen a transition from face2face ministry to an online presence. The connections we would usually have via our workshops and networking have been missed by everyone.

As a member, we value you very highly. You are what makes this fellowship work. In 2019, under the leadership of Liesl Townsend, there was a decision made for lifetime membership of R50. This was a reward for our members who have been faithful throughout the years. This replaced our annual membership fee of R50 per year. We would like to honour that decision to our current members. You do however, need to register again so that we know that you are extending your membership for another year. The cut off time for registration will be on the 28<sup>th</sup> February 2021. There is a form on our website for your registration process and to let us know what your status as a member will be for the new year. You can also e-mail the form back to your Regional Coordinator. If you do not register before the cut-off date, you will then be expected to pay R50 for your renewal. New Members pay R50 per year.

The following is a reminder of what the Constitution says about our membership.
